

SNOWARAMA TRAILS - TOP SHAPE

Under the ...

Yes, every Tuesday evening the Bingo-caller's chant echoes throughout the Hyland Crest Senior Citizens Home

as home residents and guests enjoy still another night of everybody's favorite past time.....B-I-N-G-O. It's

staged by Recreation Director Lil Rawlins and just about every resident of the Home

takes part. Here, three cards each. Left to right: Bill Houndsell, Millie Anderson and Elma Welch.

live it up with three

3 players injured

Three Minden hockey players were injured in local hockey games last week, one seriously.

All are members of the Minden Town Hockey League.

Last Sunday Hydro goalie Ross Bryant, 28, of Minden received a broken leg in a play-off game between Minden Hydro and Norland, when he was knocked to the ice and a player fell on his leg. Goalie Bryant suffered multiple leg fractures and will be in Ross Memorial Hospital for 10 to 14 days followed by some 12 to 14 weeks on crutches.

Last Thursday evening in a play-off game between the Ministry of Natural Resources and the Rock-

time. Anyone interested in entering this event may obtain sponsor sheets from virtually any business outlet or store in Haliburton or Minden.

Ross Bryant

cliffe Hotel, two players suffered concussion, back and neck injuries.

Wayne Johnson, 23, of Minden was taken to Minden Red Cross Hospital then transferred to Ross Memorial Hospital in Lindsay with head, back and neck injuries.

Released the next day he has since returned to work. Steve Williams, 27 of Dorset, was admitted to Minden Red Cross Hospital suffering from a mild concussion and an injury to the face.

Damages top \$4,000

Although damages topped the \$4,000 mark in three separate car accidents last week, members of the Minden Detachment of the Ontario Provincial Police say no one was injured and no charges laid.

A 1977 car driven by 35 year-old Emile Duchene of Haliburton received some \$500 damage when his southbound car went out of control on an icy Highway 519, slid into a snowbank and crashed into some guideposts late last Thursday evening.

Investigating was Provincial Constable Bob Wood.

Meanwhile, a two car collision in the early morning hours last Saturday resul-

ted in a total of \$2500 damage to the two cars involved.

Driver of a 1976 car which received \$1,000 damage was Jacqueline Chillman, 40, of Downsview.

Driver of the second vehicle was 22 year-old son Gerald Chillman, also of Downsview. His 1969 car suffered some \$1,500 damage. Mrs Chillman was proceeding southbound on County Road 2 while Gerald was driving in the opposite direction when the cars collided in the southbound lane.

Investigation by Provincial Constable Bob Wood.

Later that day at about 4:00 P.M. on St. Peters Road a two-car crash resulted in some \$1,200 damage.

A car driven by 54 year-old Charles Morrish of Beaumaris, Ontario skidded into a car driven by Mar-

SEE DAMAGES PAGE 13

STRICTLY

Strict enforcement of snowmobile regulations can be expected during next Sunday's 100-mile Snowarama, sponsored by the Haliburton and Minden Rotary Clubs. Under regulations effective this week all snowmobile operators must have either a regular drivers license or a special snowmobile operator's license. If age 12 or 13 a licensed operator may operate on public trails only. Age 14 and 15 he may cross roads as well. Ages 16 and over may also ride on permitted roads. While police will not be stopping each and every Snowarama rider to check age, licensing and drinking, if any, they will be watching for and stopping any apparent violators of current regulations.

The Chamber

with
bob stinson

Office
286-1700

Secretary-Manager

Res.
457-1110

In order to save time in our busy little office at the Chamber we were recently granted the use of a Dictaphone for which we are most grateful. It will certainly save a considerable amount of time in handling both correspondence and the preparation such as this column. It does, however, take some getting used to. We were somewhat horrified when we looked over last week's column in the papers and observed it to be very disjointed and disorganized. We do apologize for that, and sincerely hope as we get used to this gadget that the quality of the column will improve.

We were pleased last week to attend a regular meeting of the Haliburton County Social Planning Council. Dave Woodall reported at that meeting that the residence planned by the association for the mentally retarded was presently at a standstill. Unfortunately, before anything more can be done the association needs \$10,000.00. Dave says it might as well be a million as he sees no possible way for his association to raise that amount of money in a community of this size. It is a very unfortunate situation as the facility is drastically needed. If anyone has any suggestions or ideas on how the association may possibly raise this money please contact Dave Woodall at the association workshop at the Haliburton School of Fine Arts.

Folks in the Minden area who know Rob Young were pleased to see him get underway recently with his new business venture. Rob can operate his business quite readily from his own home. Under the name of Highland Communications Services he offers a telephone answering service and an alarm systems service. With his new equipment Rob can answer your telephone for you, seven days a week, from 8 a.m. to 10 p.m. and also monitor an alarm system for fire, burglary or heat loss on a 24 hour a day basis. Rob says the burglar alarm system is a silent system and heard only by the monitor. If you can make use of this valuable service give Rob a call at 286-1495 and he will be glad to explain it to you in further detail.

Stan's Texaco Station up on Dovers Hill near Haliburton has been famous for many years in this area for gas and gab. Stans taking things relatively easy these days and has leased the station to Gerry and Karen O'Connor. Gerry and Karen are ably dispensing both gas and gab at that location now but Stan has not given up entirely. Stan still gets in an hour worth of gab every noon hour while Gerry goes for lunch. We certainly wish Gerry and Karen every success and hope that Stan enjoys his new found leisure.

Our Canada Manpower office in Haliburton is providing a lesson in creative job search techniques on March 7 at Haliburton High School. A session will be provided for the students in the afternoon and an evening session for non-students that evening at 7 p.m. The seminar will be ably lead by John Mahoney of Peterborough and we heartily recommend it to anyone who is now or may be in the future applying for work. The seminar focuses on how best to look for work and how best to sell yourself to a prospective employer. For further information contact our Canada Manpower office in Haliburton at 457-1316.

The Chamber recently received a letter from a gentleman in Baysville carrying the following enquiry: "I've seen David Trumbell on T.V. several times and would like to visit him in his own surroundings this spring. Please tell me his address and directions to his place." We must admit that we do not know who David Trumbell is and would appreciate hearing from any of our readers who do.

This is the final week for submitting your information to the Chamber of Coming Events for June, July and August. All organizations are urged to advise the Chamber no later than Friday of this week of their functions so that they can be included in publications produced by the Ministry of Industry and Tourism.

It looks as though the organizers of Snowrama knew what they were doing when they picked March 6th as the new date for their event. If you have not yet been approached for a pledge, the Chamber has Dennis Casey riding out of Haliburton and Bill Foote riding out of Minden who would both appreciate hearing from you. This big ride is for a very excellent cause and we do wish all the riders a successful trip.

COMING EVENTS

- March 5 - Deadline for submitting Summer Events to the Chamber for the government publication
- March 6 - Snowrama
- March 16 - Tourism Seminar - Holiday Inn, Peterboro
- March 11, 12, 13 - The H.C.S.A. Week-end - Leslie Frost Centre (Members only)
- March 19 - Haliburton County Fair - Fund Raising Dance - Round & Square - dancing 9 o'clock at Minden Community Centre. \$6.00 per couple Bar & Lunch. Misty River Ramblers
- March 19 - H'C'S'A' Snowball Dance. Haliburton Legion. Carm Peters Band. \$8 per couple 9-1a.m.

County First

Paul Heffer's Minden Drug Store has now become the first drug store in Haliburton County to join the Rexall drug chain. Its inclusion in the widespread Rexall family was officially announced last week by Mr. Heffer who purchased the former Drug Shoppe over a year ago. To celebrate, the store will stage a special one-cent sale March 21 to April 2. Standing in front of his store and beneath his new Rexall sign, Paul is flanked above by clerks Corinne Wrightman and Shirley Daniels.

A note of thanks

May we express our sincere appreciation to all who participated and gave their time to our son Tim's Memorial Tournament.

Thank You,

Betty & Norm Harrison

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

TAKE NOTICE that the Council of the Corporation of the Township of Lutterworth intends to stop up, close and convey a portion of the original allowance for road around the shore of Clear Lake and being part of Lot 15, Concession 4, in the Township of Lutterworth, in the Provisional County of Haliburton.

The By-law which will effect this action is available for perusal at the Lutterworth Municipal offices during regular office hours.

The said By-law will be considered by Council at the regular meeting to be held on Tuesday, March 15th, 1977, commencing at the hour of 10:00 a.m., at the Lutterworth Municipal Offices.

Any person who claims that his land will be prejudicially affected by the said By-law may object in writing to the undersigned on or before 5:00 p.m. on Friday, March 11th, 1977, and further may attend upon the Council at the aforementioned appointed time.

DATED at the Township of Lutterworth this 1st day of February, 1977.

Mrs. B.A. Millar,
Clerk-Treasurer
P.O. Box 176,
Minden, Ontario.

Phone: (416) 592-3571

Prequalification submissions will be received up to March 23, 1977.

Follow me.

1 Go on ... try it yourself.

When you're filling out your income tax form follow your Tax Guide carefully.

For most of us, all we will have to do is follow the blue section, and the only help needed is the Guide itself.

2 It pays to be accurate.

If you have a refund coming, you'll get it sooner if your tax form has been done accurately. When you're filling out your tax form double check your arithmetic and put the right information on the right line.

We don't want you to pay a penny more than you should, so don't forget to list all your deductions. Your Tax Guide explains them fully.

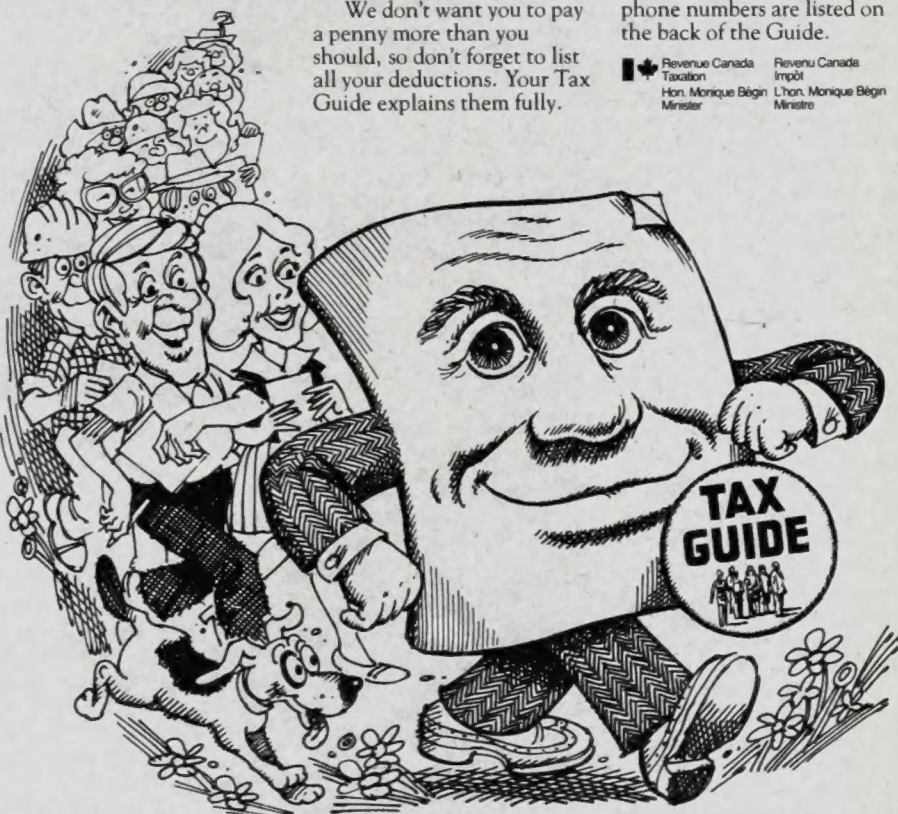

3 Be complete.

When you have finished, sign your tax form then make sure you include all your receipts and other forms with your return.

If you run into trouble, Revenue Canada District Taxation office addresses and phone numbers are listed on the back of the Guide.

SNOWMOBILE SAFARI . . .

THE FOLLOWING ARTICLE RECOUNTS A 354-MILE SNOWMOBILE SAFARI FROM DONALD TO EGANVILLE, ONTARIO AND RETURN BY A SMALL GROUP OF VISITING SNOWMOBILERS LED BY ROY BATES OF THE HALIBURTON COUNTY SNOWMOBILE ASSOCIATION

story and photos by roy bates

PLANNING THE TRIP

After a successful three-day ride in March 1975 from Port Sydney to Haliburton and return, Carl Nieman who hails from Buffalo and I vowed to do it again sometime. We would limit the safari to six riders for larger groups tend to become disorganized, we would pick a time in mid-winter when trails would be at their best, and choose a destination which would provide at least three hundred miles of exciting snowmobiling. Safari '77 began to take shape when my good wife and I visited the town of Eganville while on a motor tour of Eastern Ontario last September. The beauty of the town and its surrounding landscape, the friendliness of its people, and the fact that two active snowmobile clubs headquartered there made it a most attractive destination for a snowmobile journey. All that remained was to plan a suitable route that would provide gas, food and accommodations at the proper intervals. A few letters and several phone calls later the trip was tentatively set up and the time schedule was finalized at a meeting with Carl on New Years Day.

BARRY'S BAY OR BUST!

Nine-thirty in the morning of Friday, February 18th, saw five sleds in readiness in my driveway at Donald. The sixth rider, Bob Palmer, of Dwight had cancelled out due to unavoidable commitments elsewhere. The five riders were: Carl Nieman on a Rupp Nitro 440, his sons David and Don on a Sno-Jet SST 440 and a Sno-Jet Kawasaki 440, Grattan Woodcock of Kinmount on Ski-Doo TNT 340, and myself on Ski-Doo Olympique 300. All of us carried saddlebags or knapsacks with extra clothing, and on Grattan's machine which was equipped with a carrier was a five gallon can of extra fuel.

The weather was cool about -14 Celsius, it was cloudy with light snow forecast. We set off up the Tractor Road to Haliburton crossed through the village to Riverside Drive and took the trail past Art (Spruce) Lake which leads into the Old Eagle Lake Road and the Peterson. We met Ken Fielding with the Bombi and were assured of a freshly groomed trail to Benoir Lake.

TROUBLE ON THE DEVIL'S STAIRCASE!

At 10:55, a mile East of the Tri-Trail crossing and half way up the steep hill known as the Devil's staircase my 300 gave a resounding clang and ground to a halt. Gingerly lifting the hood and expecting the worst, we discovered the only part broken was a sheared off pin that holds the tension assembly on the torque converter shaft. Nothing to do but ride back to town and get a replacement. Carl traded sleds with Don and we rode the Kawasaki back

to Haliburton. The others rode on to Pine Grove Point at Benoir Lake where they would gas up and wait for us. We joined them at 2:30 p.m., approximately two hours behind schedule.

IT'S A LONG HAUL TO THE BAY

We scooted across the lake from Pine Grove and picked up the McClure Trail. This trail is maintained by the Ministry of Natural Resources and we found it in excellent condition. It twists and turns, it climbs over high ridges, it dips down into deep ravines. We found it to be one of the more interesting sections of our entire trip.

Reaching Lake Ste Peter about 3:55 we stopped to enquire about a possible short cut to Barry's Bay. Finding none we continued up the Hay Lake-Whitney Trail. This was also quite well groomed although very narrow and brushy in some sections. We reached Whitney at 5:45, just getting dark. The SST odometer registered 84 miles so far. We disregarded the Rupp's 97. The Kawasaki's 108 miles included the return run to Haliburton.

About seven o'clock we were on the way again. The trail here was laid between the rails of the unused CNR line and was groomed to perfection. It was very narrow, however, and the high fills of the roadbed were a little scary. If you jumped the track along here you'd need a rerrick to get your sled back on the trail again.

After Madawaska the trail was not groomed except for short sections maintained by the Opeongo Snowbirds of Barry's Bay. Nevertheless it was not too bumpy and we continued to make good time. But it was ten miles father than the service station attendant at Whitney had indicated. At 9:30 p.m. we were picking our way through the side streets of the town to settle in at the Madawask Valley Motel. Twelve hours out of Donald about eight hours actual riding time, we had covered 126 miles. A good day's ride.

A little hungry by this time, and some of us a little thirsty, we walked along the highway to a nearby tavern to enjoy a couple of cold ones and a hearty sandwich before turning in. The snow that had been on again off again all day long was just beginning to fall on The Bay.

RENDEZVOUS ON THE BONNECHERE

Saturday dawned partly cloudy with sunny intervals and noticeably milder. We were scheduled to meet with an escort from the Eganville Sno-Drifters some 14 miles north of Barry's Bay at 9:30 a.m. Unable to get gas until eight, and breakfast after that, it was necessary to hold the hammer down for our early morning stint. The half-inch of new snow billowed above us as we reared

past Paugh Lake and on toward the Bonnechere River. This was the longest stretch of road-running of our ride East. We did resort to a little more road on the way back.

No need to worry about the clock, however, for our escort was also fifteen minutes late and we actually arrived at the appointed place thirty seconds ahead of them! My Olympique relinquished the lead to Harold Miller's Artic Cat and Norman Zadow's "Little Tiger" fell in behind Grattan to bring up the rear. The pickup truck that brought them out headed back to Eganville. It was there long ahead of us.

The first section of trail was a double lane groomed forest access road, as smooth as a carpet. This led into a ploughed section and brought us out to highway 62 which we followed for a short distance then turned onto Round Lake. Norman went ahead to check for slush while we chatted with Harold. We learned that the club has 125 family members, is active in trail grooming, and their big event is an O.S.R.F. sanctioned snowmobile race which this year attracted 11,000 spectators.

A TRAIL OR A TRAP-LINE?

Across Round Lake, which had patches of slush but we skimmed over it easily, we entered a tract of beautiful pine forest. Here the trail was not groomed but having never been subject to fast heavy traffic it made for enjoyable riding. A welcome respite from the hurried ride of the morning.

We travelled at a leisurely pace over maple clad hillsides, past mountains of rock, across a couple of small lakes and finally came to a halt at the edge of a tiny beaver pond somewhere deep in the heart of a thick spruce grove. Harold admitted that the teepee was lost - momentarily. Machines were turned around in the trail and we headed back some three miles to find the missing turnoff. It had been easy to miss it for there had been no recent traffic. We had passed with in a couple of hundred yards of a Ministry maintained trail.

A MAGNIFICENT VIEW

Once again moving along at a good clip we thoroughly enjoyed the fruits of our registration fee on this expertly groomed Government system. Parts of it were double lane for two way traffic and in places the lanes would separate for one way travel. One had to watch closely for the arrows. Traffic was reasonably heavy here. It was now Saturday afternoon. We rode past one small party of snowmobilers who were busily engaged preparing for an outdoor cookout. I became, suddenly, very hungry.

Our leader turned us off the main trail and up a series of steep inclines to come out on a boulder

A scenic pause in our trip at "The Lookout" near Golden Lake midway between Barry's Bay and Eganville.

strewn lookout at the top of an oak covered mountain. Far below us in the foreground was No. 60 highway and just beyond we could see the entire length of Golden Lake. Away to our right was Round Lake, which we had earlier crossed, and to our left the village of Golden Lake. A spectacular panorama.

Down from the mountain we stopped at an intersection in the trail and assessed our fuel supply. The Sno-Jets were running low so we elected to take the bumpy branch trail out to the highway where a service station and good restaurant were close at hand. It was getting on to four o'clock when we again left the main trail to pick-up the Sno-Drifters system which would bring us into Eganville.

THE WELCOME MAT IS OUT

Soon we came out into more open country. The trail, marked well and groomed by the Sno-Drifters twisted through woodlots, rolled across open fields and veered around ancient rail fences. Our sleds were all running well and we were thoroughly enjoying this meandering trail when a final sharp turn brought us up to the door of the Sno-Drifters clubhouse. We were 199 miles from home.

The club's president, Ken Clark, was on hand to greet us warmly and a number of members were there to bid us welcome. This was the most spacious and best equipped clubhouse I have yet seen. Two floors with plenty of space for large meetings or dances, complete washroom and kitchen facilities, and of course a bar. We socialized for a while then cranked up our machines for the last quarter mile to our rooms at the Pine Tree Motel. It was six p.m.

IT'S A LONG TRAIL A-WINDING

Our congenial hosts at the Pine Tree placed a car at our disposal and we made good use of it to get downtown for a hearty end of the trail dinner. We passed up an invitation to attend the Sno-Drifters' dance at the Legion. Our beds were just too inviting.

Norman came out next morning to show us a short cut to the Ministry trails. This entailed a few miles of road-running but

This chance encounter with the trail-grooming BOMBI as we set out on the Peterson Trail virtually guaranteed a smooth ride all the way to Benoir Lake.

ut gave us a good head start for the day's ride. We glided out of Eganville at 9:35 a.m. under cloudy skies. Fortunately the snow that was forecast did not materialize. It turned out to be a perfect Sunday for snowmobiling.

By-passing the mountain route this time, we skimmed along the groomed trail to our point of entry of yesterday where, by turning left instead of right, we came onto a county road that led us back to our crossing of Round Lake. This route change was made rather reluctantly in the interest of time saving. It cut out one of the more picturesque sections of Saturday's ride, the trapper's trail. Checking our watches and Dave's odometer at Barry's Bay we found that we had shaved several hours and 22 miles off our journey of yesterday. It was here that we began to think seriously of making home in one day.

Taking to the road again at Madawaska, we cut Southward to pick up the unused railway between Lake Ste Peter and Maynooth. That slowed us down for a while. The mogul-filled railway was by far the roughest riding of the entire trip! But more time and more miles were saved by the shortcut.

Over supper at Maynooth, with 102 miles already behind us, the decision was made to continue on. A thin silver of moon was visible in the western sky as we slipped away from the lights of the village to pick up the trail again near Martin's Mill. The weather had cleared and it was turning colder.

Since I had never before traversed the westernmost section of the McClure trail, where it dips briefly into Algonquin Park, I decided to lead the party that way. The trail here was trampled with animal

tracks. I was marvelling at the ability of wild creatures to know the location of the park boundary when suddenly my headlight caught a flash of white as two deer bounded from the trail into the darkness of the forest. I stopped just long enough to point out their tracks, then going as quietly as snowmobiles will go we moved on out of the park.

The Peterson Trail had been much used that weekend! The easyriding ribbon of Friday was literally chopped to pieces. Even so, the effect of grooming was noticeable for there were still some relatively smooth sections. We stopped once for a breather at Fourcorner Lake and we managed to get down the Devil's Staircase without incident.

Ten o'clock saw us safely across Head Lake at Haliburton and twenty minutes later we were home. Our day's run of twelve hours and forty-five minutes had covered 155 miles. The longest ride ever for any one of the five. Carl had once done 150 miles in one day, and I had once ridden 135. On this weekend we had averaged 118 miles per day for a total of 354. And I have been, many times, more exhausted after thirty miles of trail breaking in those long ago days before grooming came in.

It was a great ride. We are already checking the map for possible destinations for our next adventure.

JOIN THE CROWD

Editorially

Easy Prey

The recent thaw may have proved a boon to snowmobilers but unless pet dogs throughout the county are kept tied for the next few weeks it will prove tragic for our deer population.

For running dogs the new, firm crust on the winter's snow makes running a real breeze.

For deer that same crust will prove to be a trap.

Under pursuit and running hard their sharp hooves will cut through the crust to mire and hobble them in the deep snow, easy prey for the running dog.

At home that pet dog of yours may be a gentle and loving friend; but out and running in pursuit of a stumbling and exhausted deer he's the worst of the savage predators. Keep that dog tied.

Worthwhile

This week between 300 and 400 snowmobilers will take to the trails on behalf of crippled children in still another 100-mile Snowarama. Last year this project raised almost \$18,000 locally of which about 50 per cent stayed in the county for work on behalf of crippled children by our two Rotary clubs, Minden and Haliburton. This most worthwhile project will again see a heavy influx of riders from beyond our borders so let's make them thoroughly welcome. If nothing else, that's a lot of bread they're arranging to leave with us....a tremendous assist for the crippled children of the tri-county district.

What The Budget Allowed

What The Taxpayer Wanted

Report from Queen's Park

John Eakins, M.P.P.

A great deal has been said and will be said again on the question of national unity. I, of course, have some thoughts of my own, which I hope to express some day soon. The need for world brotherhood and friendship and understanding is not something that should suddenly come alive with a particular crisis, but rather it should be in our hearts and minds and developed continually.

In any case, on January 27, I was driving towards Haliburton when I tuned in to CFRB and heard Charles Doering give his version of the Canadian unity situation. I thought he said it well and I would like to leave it with you for your own perusal:

"Canadians are walking around mumbling to themselves when they should be talking out loud. They should be shouting to the highest heights their conviction about keeping this country together. One Canada for all Canadians. Let's see it on bumper stickers, in shop windows, on sign boards, in magazines. Let's see it in little corner stores from British Columbia to Newfoundland.

"The majority of Canadians are people from many lands who have blended their talents and their heritage into the Canadian way of life. They do not want to be legally forced to be bilingual in nine provinces and unilingual in one.

"In Canada, our lives are continually being enriched by men and women of every colour and creed.

"This is a multilingual country with two official languages. But that should not separate us....it should bind us together. French and English, along with 90 other languages in the world.

Canada needs more linguists. To continue to maintain our friendship with other nations and promote unity in this country...let us unite as Canadians and become multilingual in our cordial relationships with other nations before it is too late.

"Let us stop this nonsense....this road to nowhere talk about French speaking and English Speaking people. "What we need is a sense of togetherness....some flag-waving from Atlantic to Pacific.

"We need to tell people like Rene Levesque....we aren't interested in his efforts to break us apart. They are almost seditious and treasonous.

"We don't need his kind....we don't need his influences. And when I say WE....I mean Quebecers....Newfoundlanders....Albertans....Wherever. There may be ten provinces, but by God there is only one Canada, and I haven't spent 49 years here to have some zealot and his followers suddenly wreck it all.

"Winston Churchill said, and I repeat...."If we have a quarrel between the past and the present, we shall find that we have lost the future".

"So....come on, Canadians. Come out of the woodwork. Show Levesque and his ilk that we are sick and tired of the efforts to disunite and divide us.

"This is Canada. One Canada for ALL Canadians, and it is going to stay that way."

See you next week.

and Roy Bates**

New Legislation

While we feel that adequate publicity has been given to the snowmobile operator safety training program initiated this winter to prepare previously unlicensed snowmobilers for compliance with section 8 of the Motorized Snow Vehicles Act, it might be well to elaborate once more on just what the new regulation provides.

Prior to March 1st, 1977, the Act required that no person shall drive a motorized snow vehicle along a highway (including road or street) unless, (a) he has attained the full age of sixteen years; and (b) he holds a driver's licence. Clause (c) which became effective March 1st adds, "or he holds a motorized snow vehicle operator's licence." Thus, subsection (1) of section 8 opens the door for all persons over sixteen who are not licensed automobile drivers to obtain a licence for snowmobile operation, and to ride legally on roads where permitted by local laws.

Subsection 2, which also came into force on March 1st, states that no person shall drive a motorized snow vehicle across a highway unless, (a) he has attained the full age of fourteen years; and (b) he holds a driver's licence, a motorized snow vehicle operator's licence or is a resident of any other province, country or state and holds a licence which authorizes him to drive a motorized snow vehicle. 14 year olds may not drive along roads.

Subsection 3 deals with operation on public trails and requires that the operator be the full age of twelve years and in possession of a valid licence. 12 year olds may not cross roads.

The snow vehicle operator's licence is easily attainable. A six-hour course of instruction is given by specially certified snowmobile instructors, to ensure that the licensee

has a working knowledge of the vehicle, is properly informed of the dangers inherent in the sport, and is aware of the snowmobilers responsibilities to others. The course has been available here since mid-January. In the four schools run to date by the Haliburton County Snowmobile Association, just under 60 students have been certified. We feel, however, that this number should have been much higher.

We can properly expect that the Ontario Provincial Police will begin immediately to enforce these new laws. We urge the parents of snowmobiling families to get their children over twelve enrolled for an up-coming course. It is much cheaper than the fine for illegal operation.

Snowmobilers' Dance

The Haliburton County Snowmobile Association will hold its end of season "Snowball" in the Haliburton Royal Canadian Legion hall, Saturday, March 19th. Music by Carm Peters. Everyone is welcome for this evening of fun.

LETTERS

Royal Commission
on Electric Power
Planning
7th Floor
14 Carlton Street,
Toronto, Ontario.
M5B 1K5
416-965-2111

Dear Editor:

Planning Ontario's electrical future affects us all. How are we going to be living in the future? Will our lifestyles demand greater supplies of electricity? or less? How will we produce electricity? Will there be a greater dependence on alternate sources such as solar, wind and methane? Will our centres of population be the same? What implications does this have for our dwindling supply of good farmland? These are just some of the questions which we are trying to answer.

As an extension of our public participation activities, a new Outreach program is being developed. The concept has been designed in accordance with the Commission's commitment to provide information to the people of Ontario, with the aim of increasing their understanding of the complexity of issues involved. Following this, meaningful participation in the Commission's process of inquiry is made possible.

The program consists of two main parts: the Schools Program, and the Adult Education Program. The former is directed primarily toward the high school students, and could be utilized in geography science, political science and futures courses. The Adult Education Program seeks to involve adults through community groups, service clubs and other organizations, as well as through the provincial adult education network. The Outreach office can help those interested to develop a suitable program, and can provide background and support materials.

If you would like to be involved in this program, contact either Catherine Hunt or John Neate at the Commission offices.

As the Royal Commission on Electric Power Planning nears its final stage of hearings, scheduled to begin in mid-April, "Outreach" hopes to facilitate an effective dialogue between the public and the

Commission. Through this program RCEPP is providing information concerning the Commission and its inquiry, and will help those interested to plan activities around this. A large number of schools have already become involved in this way and many special interest and community groups have also indicated interest. The Outreach Guidebook, a 100 page document which gives background information and suggestions for Outreach activities, is now available, free of charge, from the Commission.

Our concern is that the people of Ontario are aware of this program and the importance of the Royal Commission on Electric Power Planning to them. We would appreciate your help in fulfilling this goal by letting the readers of your newspaper know about Outreach. An important part of a successful public participation process is the widest dissemination of information possible...the media are instrumental to this.

Can you help?

Sincerely,
Catherine Hunt.

Editor:

I am in my fifth year of tracing my mother's family tree.

Apparently my great-great grandparents came to Canada from Ireland in the early 1840's landing at Halifax, Nova Scotia.

The family included my great-great grandparents, Peter Flanagan and his wife Margaret McGowan, their oldest child, Mary, who was born in Ireland December 11, 1837, and Peter's brother John.

Peter and his family eventually moved to Ontario because his next oldest child, William, was born in Richmond Hill on March 4, 1842.

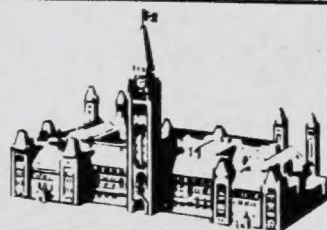

On the 1851 census for Ontario, Peter Flanagan and his family are listed as living on lot 29, Concession 4, King Township, York County.

Children born in Canada besides William were John Peter, and Thomas.

William married Harriet Sophia Maybee from Pennsylvania. These were my great grandparents. She died September 5, 1921 and he died March 31, 1922.

Peter Flanagan the elder died May 6, 1855, aged

OTTAWA and Small Business

Slippery Business

by JIM SMITH

Arthur and Henry Henuset own a business that, logically enough, is called Henuset Bros. Ltd. In its 27 years of operation, Henuset has built 25,000 miles of pipeline in Canada, making it probably the country's biggest pipeline contractor.

Back in November, Alberta Oil Sands Pipeline (A.O.S.P.) Limited needed approximately 150 miles of crude oil pipeline built. Syncrude Canada Limited needed 162 miles of gas pipeline. Henuset was invited to bid on both projects, just as the company has bid on hundreds of similar projects in the past.

As it turned out, however, these contracts were awarded in a rather unorthodox manner. Although Henuset's bid was the lowest in both cases (by about \$5 million total on a combined bid of only \$17 million), the company lost both tenders!

What went wrong? The key appears to be union pressure tactics. On November 25th, delegates at a convention of the Alberta and N.W.T. Building Trades Council ordered, according to a newspaper report at the time, their executive to "take whatever steps necessary" to bar further "non-union" pipeline contracts. Council President Lawrence LeClair explained that this "could mean the whole construction industry in this province will be shut down."

Shortly after the convention, Henuset discovered

that the contracts would be awarded to the second-lowest bidders. Arthur and Henry Henuset concluded that A.O.S.P. Ltd. and Syncrude had knuckled under to union pressure.

There's more to the story, however. A.S.O.P. Ltd. is a wholly-owned subsidiary of Alberta Energy Company which, in turn, is 50.1% owned by the Province of Alberta. Meanwhile, three governments — the federal, the Province of Alberta, and the Province of Ontario — own pieces of Syncrude. And governments supposedly exist to protect all Canadians from high-handed power plays by any segment of society.

"At this stage, there is no solid proof that Henuset lost the contracts because of government complicity in a union powerplay," Jack Foster of the Canadian Federation of Independent Business points out. "However, if the truth coincides with appearances, the implications are endless and serious. In the midst of a well-documented energy crisis, it appears that government may be conspiring with big labour to drive the cost of gas and oil even higher.

"There is only one way to get at the truth," Foster maintains. "A Royal Commission investigation must be called immediately. There is no alternative when governments' ability to protect the rights of all Canadians appears compromised."

The Canadian Federation of Independent Business ©

44 years, 4 months. Margaret McGowan died June 17, 1893, aged 85.

Mary Flanagan, Married Matthew Clancy. He died May 15, 1881, aged about 85 years, and she died June 10, 1911.

Peter Flanagan, Margaret McGowan, Mary Flanagan, Matthew Clancy, William Flanagan and Harriet Maybee are all buried in St. John's Roman Catholic Cemetery in Newmarket, Ontario.

Children born to William Flanagan and Harriet Sophia Maybee were Peter, John, William, Mary, Hugh and Oakley.

Peter married Margaret Ann(Nancy) Tunney June 28, 1893; John married Bertha Mudge from Michigan but I can't track down a marriage date; William married Mary Montague April 5, 1899; Mary married Walter Leppard November 28, 1899; Hugh

married Ethel Jane (Jennie) Gedney August 22, 1904. and Oakley married Catharine Loretta Tunney November 22, 1909.

My grandparents were Hugh Flanagan and Jennie Gedney.

It's my opinion there are some Flanagans or McGowans or other relatives living in Canada who may be in possession of a family bible or some sort of family records who could assist me in tracing this family from Ireland to Canada.

I hope this letter will bring some response from any Flanagans or McGowans in Canada who are part of this family tree.

Yours truly,

Ted Briggs

Hall's Lake News

Doreen Stinson

Spring must be not far off - Rain and melting snow, slushy ice and chipmunk one day the middle of last week and several others in the area have also seen the little fellows, and one reported seeing a ground-hog. Somehow SPRING has an extra happy ring to it this year, perhaps it is the length of Winter and the piled up snow banks, or perhaps it is the new increase in fuel oil going into effect.....

Mrs. Hazel Welch came home to Hall's Lake for the week-end from Extencicare. Achange is good for her and the McGuire's are glad to have her in the old homestead again.

Church at both Maple Lake and Boshkung was cancelled this Sunday because of dangerous driving conditions on the back roads.

Ruth and Archie Neil drove up to remove snow from their cottage and spent the week-end with the Stinsons. They are always glad to leave the city behind them and get away for a change of air and pace.

Nice to see lights on at the Attridge, Montgomery, Clark and Gardner cottages over the week-end and glad to know they were able to get out back country on their snow-mobiles.

Anyone interested in Art Classes at the new Stanhope Library are being asked to submit their names to anyone on the Committee and if you call Mr. Alex Stevenson at Maple Lake he will tell you more about

Maple Lake he will tell you more about it.

Nice to hear that students from Haliburton High have been enjoying some outings at Camp Kandalore. They have hundreds of students from various schools coming and going all year now, with a good programme of Winter sports and activities and a good reputation for being one of the best Camps in the whole country.

Mr. and Mrs. Rawlins have an uncle of Al's visiting with them for a week or so, from England. He came over to attend the wedding of a grand-daughter and is spending some time visiting among his relatives.

Nice to hear that Vi and Norm Wallace have taken off for a trip south to visit a brother whom Vi has not seen in over 20 years. Their friends from Waterdown have come up to keep house while they are away and they enjoy Haliburton in the Winter as well as the Summer and Fall.

Nice to see Bill Legate and friend up on Saturday, going through to his place on Big Hawk Lake. He sure likes his cheeseburgers!

Received a note from Jack Stirling this past week with some old photos of Eddie Hewitt here at the Lake in the 1940's. We shall see if the paper would like them for printing. Eddie isn't feeling too well these days at Hyland Crest and we hope with Spring coming he will soon feel better. He was always a great out-of-doors man and had a beautiful team of horses and always was willing to help people out. Thanks to Jack Stirling, who with his wife, is always and avid reader of the local newspaper.

Charles Welch is now at Extencicare in Haliburton and we trust he will be comfortable there with good care and company.

Roy Anderson is about the same these days, confined mostly to his wheelchair and bed and must find the days rather long. When the days get longer and warmer he will be able to sit outside on the nice patio.

Mrs Florence Poirier spent a week or so in Toronto recently.

More next week.....

Freezing meat the right way

The freezer is not a magic box into which you can just pop fresh, store-wrapped meat and expect it to be juicy and flavorful when cooked. To maintain the fresh quality of meat in the freezer, protect it - and your meat dollar - by always wrapping meat carefully before freezing, say food specialists at the Ontario Food Council, Ministry of Agriculture and Food.

In the supermarket, the wrapping on fresh meat protects it against over-handling and drying. This type of wrapping lets the fresh meat "breathe," and is designed for short-term refrigerator storage. It is unsuitable for long-term storage in very cold and dry air, such as freezer air. Freezer air gradually pulls moisture from improperly wrapped meat and leaves you with a dry, tasteless product.

Before putting meat in

the freezer, remove the store wrap, then re-wrap the meat in heavy-duty aluminum foil or durable plastic seal tightly. Use a twister and freezer tape when using bags, or seal open edges with freezer tape when using foil. Air left in a package or entering a package can cause oxidative changes in the meat. These changes result in off-flavors and odors; that's why it's so important to mold the wrap tightly around the product, then fasten the package so air cannot enter.

Label the contents as to type of meat, quantity, and date it was frozen.

PROPERTY OWNER
THINKING OF
SELLING!!!!**

Each year thousands visit the cottage section of the Canadian National Sportsman Show. Many are potential buyers seriously looking for vacation properties.

Gary F. Vasey has for years had a booth at the Sportsman Show to serve these people and to introduce them to properties our clients have listed with us. This method of promoting has resulted in many sales that normally would not have taken place through regular advertising.

We offer this service at no cost to you.

Don't delay, your listin is needed before March 9th in order to prepare our brochure.

CORPORATION OF THE TOWNSHIP OF STANHOPE NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE
MATTER OF A PROPOSED BY-LAW OF THE CORPORA-
TION OF THE TOWNSHIP OF STANHOPE TO CLOSE
THAT PORTION OF PART OF THE ORIGINAL ALLOW-
ANCE FOR ROAD BETWEEN BROKEN LOT NUMBER 20
AND BROKEN LOT NUMBER 21 IN THE TENTH CON-
CESSION OF THE TOWNSHIP OF STANHOPE.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 284, Section 443 of the Municipal Act, that the Township Council of the Corporation of the Township of Stanhope proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, R.R. 1, Haliburton, Ontario on Wednesday, March 9, 1977 at 4 p.m., a by-law to close, stop up and convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton, in the Province of Ontario, being composed of part of the original road allowance between Broken Lot Number 20 and Broken Lot Number 21 in the Tenth Concession of the said Township, more particularly described as follows:

PREMISING the Western Limit of said Lot 21 in the Tenth Concession to be on an astronomic course of North 20 degrees 51 minutes 40 seconds West and relating all bearings herein thereto;

COMMENCING at a point in the Western Limit of said Lot 21, distant 329.3 feet measured on a course North 20 degrees 52 minutes 40 seconds West thereon from the Southwesterly Angle of said Lot 21;

THENCE continuing on a course North 20 degrees 51 minutes 40 seconds West along the Western Limit of said Lot 21, a distance of 470 feet to the intersection of the Western Limit of said Lot 21 with the inner limit of the road allowance along the shore of Little Hawk Lake;

THENCE in a general northwesterly direction following the said inner limit of the road allowance along the shore of Little Hawk Lake to the intersection of the said inner limit of the road allowance with the Eastern Limit of said Lot 20;

THENCE on a course South 20 degrees 51 minutes 40 seconds East along the Eastern Limit of said Lot 20 a distance of 500 feet more or less to a point in the Eastern Limit of said Lot 20, distant 332 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southeasterly Angle of said Lot 20;

THENCE North 71 degrees 29 minutes 00 seconds East, 66.05 feet to the POINT OF COMMENCEMENT.

THE PARCEL as herein described is shown outlined in red on a plan and field notes of survey dated January 16th, 1952, signed by Charles P. O'Dale, O.L.S., of record in the Ministry of Natural Resources, Ontario, a duplicate of which plan and field notes is attached to and forms part of this deed of land.

AND TAKE FURTHER NOTICE, that before passing the said By-Law at its meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Stanhope, shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED AT STANHOPE this 11th day of February, 1977. **Gerald C. Bain** Clerk

Carrot Pudding for dessert

Serve a carrot pudding for dessert. Make it ahead. Refrigerate it or freeze it. But for THE BEST flavor, reheat the pudding just before serving.

Use Ontario carrots - the ones in see-through bags with their tops removed. Store the rest of the carrots (in their bags) in the refrigerator crisper.

Carrot Pudding
1/2 cup ground suet
1/3 cup brown sugar
2/3 cup corn syrup
1 egg
Juice of 1 lemon
2 tbsp milk
1 cup raisins
1 cup currants
1 cup grated raw potato (1 large)

1 cup grated raw carrot (2 Med.)
1/2 cup flour
1/4 tsp baking soda
1/2 tsp salt
1/2 tsp cloves
1/2 tsp nutmeg
1/2 tsp cinnamon
1 cup fresh breadcrumbs (3 slices)

In a large mixing bowl blend together suet, sugar, corn syrup and egg. Add lemon juice and milk; stir well. Add raisins, currants, raw potatoes and carrots; mix thoroughly. Sift flour, baking soda, salt, cloves, nutmeg and cinnamon over mixture. Add breadcrumbs; mix thoroughly. Turn into well-greased 5-cup mold (the mold will only be 2/3 full to allow for expansion). Cover* and steam for 3 hours unmold. Serve with brown sugar sauce.

*Pleat greased wax paper or aluminum foil to allow for expansion. Secure with string, making a handle if you wish, to facilitate removal from saucepan.

About the Town

with Jeanne Sears

The Community sends belated good wishes to these people at Hyland Crest having birthdays in February: Ellen Knight, Alice Fearrey, Mabel Lyons and Bill Hounsell.

The A.I.B. is still in effect but starting the first of March, the postage on your letters goes up once more, 12 cents for letters and rates up on other items. Seems something is wrong somewhere, controls work some places but not in others.

It is hoped that ladies from the Area will attend the World Day of Prayer this Friday afternoon at Hyland Crest Chapel at 2 p.m.

Do you think this is true??? Friendship is a plant of slow growth and must undergo and withstand the shock of adversity before it is entitled to the appellation.

George Washington

All her friends send good wishes to Bertha Hughes who has been a patient in the local hospital and to Flo Dollo at Sunnybrook Hospital.

There was a good crowd at the Scout Mothers Auxiliary Bake Sale - Bazaar on Saturday with funds going to their summer project.

Hint of the week - To reach food in the back of your refrigerator place small items on a cookie sheet, this slides forward easily.

The past several Wednesdays have seen Book Exchanges at the Branches of Haliburton County Public Library with all outlets receiving new books. Drop in at your library and pick up your own favourite author.

Miss Lola Stevenson was surprised last week as for the fourth time in her eighteen years with the Royal Bank, the Kingston Branch was held up and over forty thousand dollars were stolen by a lone robber.

Sincere sympathy goes to the family and friends of the late Ernest Ireland who passed away since last week.

The A.C.W. Pancake Supper at the Parish Hall had a goodly crowd enjoying their meal.

Mrs Lilian Stevenson spent the last two weeks in Toronto visiting her son and his family.

At the weekly Mini Card Party at the Parish Hall last Thurs afternoon winners were for bridge Doris Craig, for cribbage, Bill Bennett, Lil and Jeanne and for euchre Della Griffin, Johann Beattie and lone hands Mae MacArthur.

If you are tempted to reveal;
A tale to you someone has told,
About another, make it pass.
Before you speak, three gates of gold;
These narrow gates. First, "Is it true?"
Then "Is it needful?" In your mind,
Give truthful answer. And the next;
Is last and narrowest, "Is it kind?"
And if to reach your lips at last,
I pass through these gateways three,
Then you may tell the tale, nor fear;
What the result of speech may be.

Beth Day.

Rainy Sunday, several mild days but with colder temperature sno again. Slippery in places, take care.

Cherrio until next time.

Jobs for 175 last month

During the month of January 1977, the Peterborough Canada Manpower Centre placed 175 persons in regular full-time employment including 5 who were referred to jobs in other parts of Ontario according to Public Relations Officer, John Mahoney.

In addition, 72 people were placed in temporary or casual jobs, he said.

Under the Canada Manpower Mobility Program, 2 people were assisted in their move to areas for employment where their skills were in demand. Fifteen other people were authorized for exploratory assistance for job interviews in other areas.

Rotary Guest

Aubrey Oldham, Ottawa insurance executive and chairman of the World Community Service Committee of Rotary International, District 701, will be the guest speaker at a meeting of the Minden Rotary Club next Monday evening. Mr. Oldham will speak on the topic "World Crisis and Rotary's Opportunity", and will address a special ladies night gathering of Minden Rotarian, their wives and guests including community church leaders. A Rotarian for some 44 years, Mr. Oldham is presently a Senior Active member in Ottawa.

Continue Ontario Home Renewal Program

The Ontario Home Renewal Program (OHRP), designed to help improve and upgrade the province's existing housing stock, will be extended for one more year.

The announcement was made by Housing Minister John Rodes to the Provincial Municipal Liaison Committee, meeting in Toronto. He also announced

that an additional \$4 million have been allocated to the program for the current fiscal year bringing total expenditures for the period to \$21 million.

"Approximately \$3.1 million of the additional funds have already been taken up. The remainder is earmarked for projects which we know will be forthcoming soon", he said.

'Community Living' presents a new future for the developmentally handicapped.

This is what Ontario is doing about it.

Mentally retarded people are often capable of much greater development than had previously been thought possible. Although they learn at a slower rate than others, the developmentally handicapped can frequently develop skills and abilities that enable them to be integrated into the community as a whole.

The plan to achieve this goal, known as "Community Living," is administered by the Ministry of Community and Social Services and is conducted in partnership with local Associations for the Mentally Retarded and other concerned community agencies. Basically, it calls for:

- creation and funding of group homes and other kinds of community accommodation
- increased numbers of workshops and life skills programs
- early infant stimulation programs, parent relief and development projects
- access for developmentally handicapped people to a full range of community services.

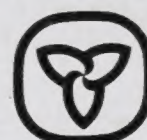

All of these activities aim at achieving a better quality of life for Ontario's developmentally handicapped, and at making their experiences as normal as possible.

The approach is a new one. A good one. A healthy one. Your support and understanding can help it succeed.

For more information, or to receive the free booklet "Serving the Mentally Retarded," contact your local Ministry of Community and Social Services office, or write to:

Dave Hartwick scores 2 goals in 5-3 win

Haliburton Travelways Huskies blast Lakefield 10-6, 5-3

More than 400 charged-up Haliburton County hockey fans were treated to a rip-snorter of a Junior D hockey game on Friday evening at the Haliburton Arena. The Haliburton Travelways Huskies hosted the Lakefield Kingston Lumberkings in the second game of their league semi-final, four out of seven series, and edged them 5-3. Haliburton had earlier in the week, won the opener in this series at Lakefield, 10-6.

In a period that saw the Huskies drill 26 shots at the Lakefield goaltender, the score at the end of one was 1-1. Lakefield managed only 5 shots on Huskie netminder Randy Ellison. Joe Roberts opened the scoring from Tom Curry and Bernie Nichols. How-

ever, nine seconds later Lakefield's Randy Freeburn tied up the game.

In the second period Lakefield played far better hockey than the Huskies but the difference was a red-hot Randy Ellison. He stopped many labelled drives and near the end of the period Dave Hartwick blasted a bullet through the legs of the Lakefield goalie to end the period 2-1 for Huskies. Tim Bain and Dave Levely drawing assists. Shots were 16-11 in favour of Haliburton.

The third period the two teams opened up a bit and as a result five goals were scored. Tom Curry upped the Huskies lead to 3-1 early in the period from Bernie Nichols and Joe Roberts. Lakefield closed the gap to 3-2

on Steve Hardwell's goal. Dave Hartwick restored the two-goal margin, from Tim Bain and Dave Levely, but just :56 seconds from the end of the game, Lakefield's Steve Spencer made the score 4-3. Lakefield then pulled their goalie to try and tie up the game but with only one second left on the clock, Tim Bain iced the victory with an empty net goal from Dave Levely and Barry Shaw. Haliburton once again outshot Lakefield 9-8, giving them 53 for the game to 24 for Lakefield. Haliburton picked up 19 minutes in penalties including a major and game misconduct. Lakefield was assessed 17 minutes, including a major and game misconduct.

The next home game in this series is Wednesday evening at 8:30 p.m. Lets have a big crowd out to this game, the Huskies are playing the best hockey they've played in years and they deserve the support of the entire County. They are presently up two games to none on the Central Ontario Junior 'D' League Champions, (Haliburton finished sixth). The first star of the game in Haliburton Friday evening was Tom Curry, for his tenacious checking all evening, creating numerous scoring opportunities. Second star goes to Dave Levely who set up three Huskie goals and the third star goes to the entire defence including goalkeeper Randy Ellison.

HALIBURTON 10
LAKEFIELD 6

LAKEFIELD 7
HALIBURTON 1

In the Central Ontario Junior 'D' League semi-final opener in Lakefield last Thursday evening, Haliburton Huskies outscored Lakefield Lumberkings 5-1 in the third period, to win going away 10-6.

Joe Roberts was the outstanding player in this game for the Huskies scoring once and assisted on five others. Bernie Nichols picked up the Hat-Trick and one assist, Tom Curry had two goals and three assists, Dave Hartwick picked up a pair of goals and singles went to

Barry Shaw and Larry Stinson.

Lakefield scorers were Randy Freeburn and Steve Spencer each with a pair with singles going to Doug Shannon and Paul Graham.

On Sunday evening in Lakefield, the Lumberkings exploded for seven goals while the Huskies could only manage one by Dave Hartwick and thus the best four out of seven semi-final series now stands at 2-1 in favour of the Huskies.

Pepsi Cola H.S. Zone Finals in Bowmanville

The Carnarvon Lanes Y.B.C. will send eight seniors to the Pepsi Cola High School Zone Finals in Bowmanville on Sunday.

All seven senior boys, Dave Barder, Dave Everall, Brent Beaver, Tim Davies, Jim Carrell, Les Booth and Blaine Sawyer

plus senior Diane Cowan will be competing for a spot on the Zone teams.

All seniors are asked to be in Minden ready to depart for Bowmanville at 10 a.m. The Finals get underway at Liberty Bowl at 1:30 p.m.

Thomas Adams N.C. Zone roll-offs in Fenelon Falls

The Thomas Adams National Classified Zone roll-offs have now been set for Fenelon Falls. There will be two shifts starting

men's and three ladies competing.

at 10 a.m. and 1 p.m. Teams will roll three games and the winning men's and ladies teams will then advance to the Reginal Finals on April 17th, site to be named later.

Carnarvon Lanes will send seven teams to Fenelon, four men's and three ladies. Fenelon will have three

Back a fighter.

Easter Seals help crippled children.

Bantam tournament Saturday

The Jadek Sports Bantams will host their annual Minden Bantam Tournament at the Centre on Saturday commencing at 8:00 a.m.

The tournament is still shy two teams but Minden Minor Hockey President, Ross Warburton assured me on Monday evening that the full eight teams will be in attendance on Saturday.

At the moment, Minden, Warsaw, Peterborough, Creemore, Orono, South River are in, while word is still to come from Gravenhurst and Oshawa.

As you can see there are no teams from the league

C.N.E. roll-offs slated for Bancroft

The site of the 1000 Lakes Bowlers Association zone roll-offs for the Canadian National Exhibition Match Play Championships have now been set for Bancroft on Sunday, April 3rd.

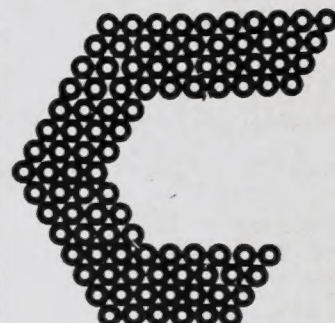

For every five entries entered in the roll-offs, one will advance to the

our Bantams played in this season. This is due to play-off commitments and Tournaments on Saturday in Bobcaygeon and Haliburton. However, it will give the fans of Minden a look at some of the other Bantam teams in the Province and how our team stacks up against them. It should be a very interesting tournament at the Centre and good crowds are hoped for.

Help your HEART FUND

Championships at the C.N.E. on August 17th to Sept. 6th.

All 1000 Lakes Bowlers wishing to compete in this years roll-offs are asked to get in touch with their House Tournament Directors and sign up. The entry fee for this tournament is \$10.00 and five games are rolled in the zone finals.

Kim Griffin rolls 629

Wins 'Bowler of the Month'

Since the beginning of February, Kim Griffin, a junior in the Carnarvon Lanes YBC Program, has upped her average 12 points. However, her finest triple of the bowling season came on Saturday when she put together singles of 184-188-257 for 629. This fine showing, along with her average increase, has won Kim the February Bowler-of-the-Month award. Kim's fine performance also

led her team, the Yake's Rollers to a five point morning and the Junior league lead 31 to 22 over the Devil's Angels.

Some other fine performances on Saturday were turned in by; Bantams - Ted Conway 201 and Scotty Yake 188. Juniors - Sean Harrison 201, Ann Everall 212, 225 and Scott Arbuthnot 208. Seniors - Dave Everall 213, 211, Dave Barker 289, 219 and Blaine Sawyer 259.

Dave Barker finishes seventh

The Carnarvon YBC Senior and Bantam Champions travelled to Oshawa Lanes on Sunday to take part in the 4 Steps to Stardom Zone Finals and, although they didn't set the lanes on fire with spectacular games, they did gain valuable experience.

For three of the bowlers, Bantams Ted Conway and Leeanna Barker plus Senior Diane Cowan, this was their first trip away from their Home Lanes at Carnarvon. All three

finished eleventh. Ted rolled 3 game scores of 354, Leeanna 236 and Diane 432.

For Dave Barker, one of the two top Seniors at Carnarvon, it was his second tournament of the season and he bowled extremely well, moving from tenth spot in his first tournament to seventh at this one. Dave rolled 204-210-205 for 619 less one foul of 15 pins.

ONLY YOU CAN GIVE THE GIFT OF LIFE!

Fenelon Falls wins High Low Doubles

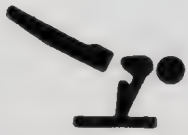

Margot Fitzpatrick

Wanda Fletcher

The Zone Finals of the Sunbeam Shoes High Low Doubles tournament was held at Carnarvon Lanes on Sunday and the above two pretty Fenelon Falls girls won, posting 168 pins over their combined averages. Wanda Fletcher, right and Margot Fitzpatrick will now carry the 1000 Lakes Bowlers Association colors to the Provincial Championships to be held in Galt, Ontario on Saturday, March 26th, at 1 p.m. Good luck

girls. The other top prize winners of the day were Leo Greenfield and Ilene Hamm, Bancroft, 161 pins, Marie Reynolds and Eleanor Young, Carnarvon 132 pins, Judy Hammond and Linda Grant, Bancroft, 125 pins, Don Hicks and Paul Warburton, Carnarvon, 123 pins, Marjorie Lee and Don Lee, Fenelon, 120 pins and Bert Beard and Dorothy Falls, Fenelon Falls, 116 pins over.

SPORTS

Tri County hockey

Darian Anderson, Mike Gorveatt score in overtime

Sunday was Tri County hockey day at the Minden Community Centre.

The Mike's Milk Atoms dropped a 3-2 decision to Beaverton, then travelled to Beaverton on Sunday and won 2-0 in overtime. On Saturday George Burk and Larry Anderson scored in a losing cause. On Sunday Darian Anderson put Minden ahead 1-0 in overtime and then Mike Gorveatt hit an empty net to insure the victory. Minden now travels to Beaverton Thursday for the third game of this best three of five series and then return to the Centre on Friday evening at 7 p.m. for the fourth game.

The Wrightman Real Estate Peepees also split their games this week with Beaverton, losing 6-0 in Beaverton and then posting a great 2-1 win at the Centre on Saturday. Jack Burk and Craig Coneybeare scoring for Minden. The third game in this series goes Saturday (possibly) in Beaverton.

The Dollo's IGA Bantams took it on the chin from Little Britain at the Centre Saturday, losing 5-4. Charles Austin had a pair for Minden with singles goint to Cameron Monk and B.J. Jones.

The Bantams are playing a two-game home and home series with Little Britain, Omeme, Beaverton and Ops winner to win the League Consolation Championship.

The next game for the Bantams is in Omeme on Tuesday evening.

The McKnight's Shell Midgets opened their play-offs against Fenelon Falls at

the Centre Saturday, and lost their first game of the season, 5-4. Playing with only eight players and a goalie, the Midgets simply ran out of gas in the third period.

Kim Hamilton and Kirk Bull each scored once, while Stu Russell scored twice.

The next game in the

Ed Pettinger, Sandy Stewart, tie for first

The Seniors second schedule is now completed with the Ed Pettinger and Sandy Stewart rinks finishing in a tie for first place with identical 5-2 records and 50 points each. Third spot goes to the Tom Hurtt team that accumulated 40 points from a 4-3 record. Tied for fourth place are Hal Burton and Lorne Coburn with 35 points each from 3-3-1 records. In sixth position

best of three series goes Thursday evening in Fenelon and the third game next Sunday at 7:30 at the Centre.

On the season's play Minden won three and tied one with Fenelon. This series is for the League Championship.

with 25 points apiece on the strength of 2-4-1 records are the Les Walling and Ern Hewitt quartets while in last spot with a 2-5 record and 20 points is the Frank Waters four-some. Last week's action saw Coburn beat Walling 6-3, Waters edge Hurtt 6-5, Pettinger outlast Burton 6-4, and Hewitt thump Stewart 8-3. Play-offs start this week for all eight teams.

YOU'RE WHISTLING IN THE DARK...

Help your Heart... Help your Heart Fund

Foamblowers dump Natural Resources

The Rockcliffe Hotel Foamblowers opened their best three out of five playoff tilt with the Ministry of Natural Resources on a winning note last week as they dumped the MNR team 8-3 and 10-5 in Minden.

Dean Hewitt led the Foamblowers attack in the first contest, scoring six big goals, while Leigh Bull and Dave Dollo picked up single markers for the winners. Replying in a losing cause were Alex Millar and Warren Snyder.

Another six goal effort highlighted the second game as Leigh Bull hit the twine six times to lead his team to victory and a 2-0 lead in the series. Dave Dollo notched the hat trick while Dean Hewitt added

the final tally. Bill Watson fired two goals in a losing effort while Ross Wary, Harris Steele and Jim Martin chipped in one score apiece.

The second game was called with 1:23 left to play when the Foamblowers Wayne Johnson and MNR's Steve Williams collided in a goal mouth scramble which sent both players to hospital. Johnson was taken to Lindsay's Ross Memorial Hospital with undetermined neck injuries while Williams was kept overnight in our local infirmary with a suspected concussion. No penalties were called on this unintentional, accidental play. Both players are reported to be progressing satisfactorily.

LET'S GO BOWLING

Colts take 20 of possible 21 points

Cox's Colts are running away with the 3rd series in the Men's Commercial league. Leading by two points last week, the Colts picked up 20 of 21 possible points to move in front of Modern Electric by 15 points, and 16 up on the Rockcliffe Hotel, the Colts chief rivals for the final series.

The standings after four weeks of series three action are, Colts 68, Minden Progress 62 (winner of first series), Modern Electric 53, Rockcliffe Hotel 52, Ingoldsby 51 (winner of second series) and Minden Billiards 38.

Top bowler of the evening was Fred Cox with 356-224-211 for 891. Ron Robinson Sr. rolled 293-240-246 for 779 and Blaine Sawyer pitched in with his finist effort ever in the Commercial league 253-229-261 for 743.

Ronnie Robinson Jr. continues to hold the High Average in the Men's Commercial of 230 but Ron Sr. is right behind at 229.

Some top singles rolled were, Bob Robinson 316, Pat Clarke 314, Elroy Terry 270, Ian Coltman 279, and Wes Stata 271.

CARNARVON BARGAIN BARN MOVING UP

The Peterborough Lumber team in the Tuesday Commercial League has pretty well dominated things all season but Carnarvon Bargain Barn has shown signs of moving up on the Lumberman, The Bargain Barners' have moved to within 6½ points of the top, after trailing by as much as 21 points in January.

Fred Cox holds the top average in the league with 232 and is peaking nicely for the Thomas Adams National Classified. Audrey Fountain is the top lady with 222, and is gradually getting her game together after a tough early part of the season. Audrey will anchor our Carling Open Team in Hamilton early in April.

Ron Robinson Sr. is also rolling right along with a 226 average and is getting his game together for March 13th, when he and the top two Bantams in the YBC league will participate in the Zone Round of the Master Bantam

Tournament in Peterboro.

CEC ROBINSON 10 POINTS IN FRONT

Cec Robinson and Wally Crofts have battled on another all season in the Ingoldsby Mixed league, with Cec stubbornly hanging on to top spot. Cec has upped his lead to ten points over Wally this week and barring a total collapse of his team he should win the league Championship this year.

Wally Crofts owns the high average of 219 while Cec and Harry Henderson each are at 214. Connie Burk is the top lady with 195.

Standing with six weeks left in the schedule, Cec Robinson 87, Wally Crofts 77, Murray Everson 68, Earl Schellenberg 66, Gord Darby 64, and Harry Henderson 62.

JOIN THE CROWD

Minden OMHA Atoms in semi-finals

The Yake Electric/Red & White Minden Atoms advanced to the O.M.H.A. semi-finals last Tuesday evening in play-off action, downing Omeme 4-2 in overtime.

The game, played before over 200 rabid Minden hockey fans, turned out to be one of the finer games at the Centre this season. Minden led 2-1 on two goals by Scotty Hamilton but with :47 seconds left in regulation play Omeme tied it up to force overtime. Kevin Warburton then went to

work and scored twice to put Minden in the Semi-finals against Ops.

This series will probably commence Friday evening at the Centre, game time 7:30 p.m.

BROOMBALL

Alton Movers defend championship

Minden's Alton's Movers begin defence of the Minden Broomball championship they won last year as they open the playoffs this week in a best two out of three tilt with the Horseshoe Lakers.

This should prove to be an exciting, evenly matched series as the Lakers handed the Movers their first defeat of the season last week, 1-0, in the final game of the regular schedule. Randy Warburton scored the matches' only goal late in the first period and from there on it became a rough and tumble affair with the Movers unable to score the tying goal.

The Movers finished the season with a 13-1-1 record for 27 points and an easy first place finish.

Horseshoe ended up in

third place with 13 points from a 4-6-5 record.

In the other playoff round second place Home Hardware will meet last place Tom's Mothertruckers in a best two out of three series. These two teams finished the regular schedule on a 1-0 victory by Home. The Truckers have improved immensely since the beginning of the season and should provide the fans with entertaining and exciting action. The Truckers ended up with 11 losses and 4 ties this season while Home took second spot on the strength of a 6-5-4 record and 16 points.

Both of these series could go the limit but in the first round action the edge has to be given to Home over the Truckers and Altons squeezing out the Lakers in three games.

Midgets tune-up for Fenelon

In an exhibition hockey game on Saturday afternoon between the McKnight's Shell Tri County Midgets and the OMHA Jadek Sport Bantams, the Midgets prevailed 10-7. Kim Hamilton led the Midgets back from a two goal deficit early in the first period, with five goals. Kirk Bull chipped in with the hat-trick

and Stu Russell scored twice.

The game was a tune-up for the Midgets, who face Fenelon Falls in the Playoff series for the League Championship, on Sunday at the Centre.

Ronnie Yake scored four goals for the Bantams, Scott Arbuthnot had apair and Tim Davies one.

Paudash Trail Blazers

Hi Fellow Snowmobilers

Well today was a big day for some of the Younger people of the area. They attended a class to learn about Snowmobile operation conducted by our trail Captain Mac Peters; The class was held at the Community Centre in Highland Grove - of 15 applications for this weeks session only 11 attended the class and all 11 were successful in passing the test: Our congratulations goes out to these young people - To put the record right - These classes are for anyone over the age of 12 that have not an automobile drivers license. There will be a class held next Saturday Feb 26. A further class will be held on Sat. March 12. The lakes are quite slushy. So it would be advisable to stay on the Bush Trails. A week ago on Sunday 9m/c took part in a Safari to Wilberforce - we stopped at Legges Restaurant for lunch and returned home. Groomed Trails are wonderful to Snowmobile on a real pleasure. Our trail Captain and his helpers are doing a fine job with The Groomer. There sure is a lot of snow in the bush and to get off the trail can become strenuous and frustrating I know;

Our Trail Captain will be announcing another Safari shortly - if you would like to participate call Mac and let him know. Possibly there are some people who are not members, that would like to come out for a run with us. Please come out and feel the pleasure of going with an Organized Club. We welcome new members from the area.

In closing I would like to leave you with something that was told to me a number of years ago, with a little addition. Did you know that there are two kinds of finishes for Automobiles and Snowmobiles. Lacquer and Liquor.

See you next Time.

Ben

TRAPPERS CARNIVAL will be March 5th at Silent Lake Provincial Park (located 15 miles North of Apsley on highway 28) starting at 10:30 a.m.

AGENDA

- Fur handling demonstrations
- Beaver skinning contest. (bring your own large medium beaver)
- Best handled bundle of 3 (excluding Fisher) Beaver must be included.
- Individual entries - Otter, Raccoon, Beaver, Mink, Muskrat, Fox, wolf.
- Snowshoe race, Log chopping contest, Ladies nail driving contest, plus other attractions.

Fur will be judged by an O.T.A. Representative. Cash and/or prizes for 1st, 2nd, and 3rd contest winners. Refreshments will be available.

The thick, white cord-like material located on opposite sides of the yolk is called the chalaza and is a normal part of the egg. It holds the yolk in place in the white.

ONTARIO ELECTRICAL LEAGUE
VICTORIA - HALIBURTON CHAPTER

Good Neighbour Sam

He's the guy who knows how to fix that leaky faucet or replace the screen door on the front porch. Give him half a chance and he'll be delighted to fiddle with the sticky carburetor on your new outboard motor. Sam knows a lot about a lot of things and everyone says he's the man to see when things need doing.

If you're planning some electrical work, for goodness sake don't ask Sam. Electrical wiring is a job for the experts. Ask an experienced electrical contractor to install the wiring or appliances you have in mind - an expert with years of practical experience. Your electrical contractor knows just how the installation should be made for your safety and satisfaction - after all it's his only business. Your contractor will also arrange to have the installation checked by an Ontario Hydro Inspector. You'll have a certificate to prove that the job is perfectly safe and in agreement with the Ontario Electrical Code.

Don't ask Sam. What Sam doesn't know about electricity could be dangerous for you.....and Sam as well.

NATURAL RESOURCES

Eight new species on endangered list

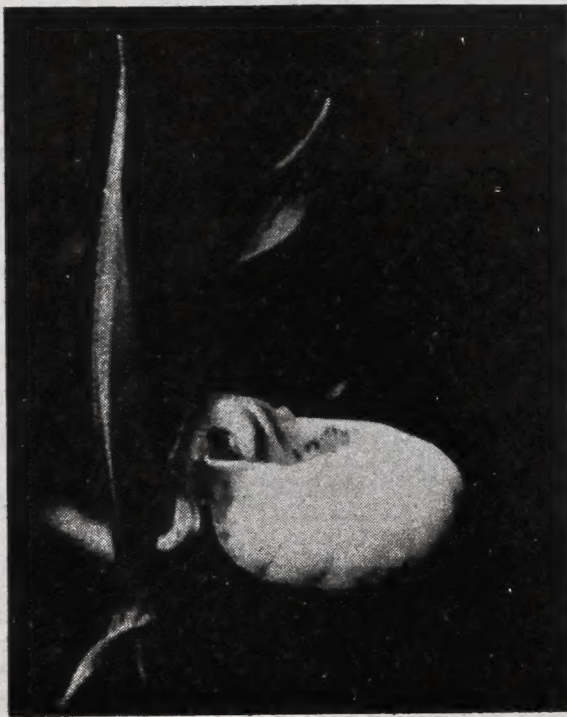

PELICANS

These seven species of Ontario wildlife and one plant threatened with extinction, are now protected under the province's Endangered Species Act, Northern Affairs Minister Leo

Bernier announced during a recent keynote address to the Ontario Federation of Anglers and Hunters annual meeting. The new species listed join two snakes--the blue racer and timber

rattlesnake--and two birds of prey--the peregrine falcon and bald eagle--that have been protected since 1973, during Mr. Bernier's term as Natural Resources Minister.

PROVISIONAL COUNTY OF HALIBURTON

EQUIPMENT RENTAL

All people who would like to have the Provisional County of Haliburton Roads Department, consider the rental of their equipment for road construction within the County for the year 1977 are required to submit the rental rates to the County Office in Minden by 12:00 noon, March 16, 1977. The information required is type of Equipment, Size, H.P. Rating, and Rate per Hour. Tender forms are available at the office, Box 399, Minden, Ontario.

W. E. Obee, P. Eng.,
County Engineer

PROVISIONAL COUNTY OF HALIBURTON

Notice to all Truckers

RENTAL OF DUMP TRUCKS FOR THE YEAR 1977

The Provisional County of Haliburton, Roads Department, request that all truckers who would like their names on file with the County for possible work during the year 1977 come into the County office in Minden and leave the required information or send in for the forms to Box 399, Minden, Ontario.

W. E. Obee, P. Eng.,
County Engineer

DAMAGES TOP \$4,000

Garet Ashman, 35, of Haliburton.

The Ashman car was rounding a curve while the Morrish vehicle, travelling

in the opposite direction, skidded over the centre line and into it.

Investigation by Provincial Constable Roy Telford.

Notice to Truckers

All County Roads under the jurisdiction of the Provisional County of Haliburton shall be posted and enforced for Half Loads as soon after March 1, 1977 as necessitated by weather and road conditions until April 30, 1977.

Approved by the County Road Committee, Tuesday, January 18, 1977.

S. G. Nesbitt, Chairman
W. E. Obee, County Engineer

Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all—results were so thorough that this improvement was maintained over a period of many months.

All this was accomplished with a healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.

Preparation H

WAITRESS (part-time)

STUDENTS SUMMER EMPLOYMENT (waitress-chambermaid-kitchen help)

Pensioners must re-apply before March 31 for supplement

OTTAWA - Health and Welfare Minister Marc Lalonde last week reminded the more than one million Old Age Security pensioners, who receive Guaranteed Income Supplement benefits, of the March 31 renewal deadline. If pensioners fail to re-apply by then, their benefits may be interrupted.

Application for the federal government's Guaranteed Income Supplement, paid to pensioners with limited

incomes, must be made each year.

During the 1975-76 fiscal year, pensioners received \$923 million in supplementary benefits. This was almost one-quarter of the total \$3.9 billion paid to Old Age Security pensioners during that period.

Each month more than half of the two million Old Age Security pensioners receive some additional payment through the Guaranteed Income Supplement program.
